| | Recruited by this office | |

B. Administration and Problems

copies were submitted to

Records Management Section - A records survey of the General Services Office was undertaken starting with the Machine Records Breach of the Records Services Division. As of the end of the month, the records of the Machine Records Branch had been inventoried and a tentative disposition schedule prepared. We are now in process of obtaining the necessary concurrences of other affected offices. The standard filing system was installed for the correspondence records of the office. Installation of the filing system in the Space, Maintenance and Facilities Division is now in process.

| THE OTITOR OF THE DECITOR of | nd Security has appointed a full |

| time Area Records Officer. The | ir tentative selection was |
| who attended the Rec | ords Management Training Course. |
| Subsequently, it was decided th | |
| on his present duties and | should be appointed to |
| the position. will r | ot actively undertake a records |
| management program for the offi | |
| duty sometime during the latter | |

To date, participation in the vital materials program by the Office of Training has been very limited. However, we have now been informed that beginning this month, they are ready to undertake a fully adequate program.

and the Western Hemisphere Division of FI was completed and ten

Records Center Section - A Project Review Committee submittal, requesting the construction of an Agency Records Center, has been prepared and is ready for presentation.

The Personnel Office has agreed to Records Center storage of personnel folders for separated employees. Five cabinets of folders have been transferred and it is expected that appreximately 20 more (total of 150 bexes) will be forwarded in the next 30 to 60 days.

Center personnel worked out floor layout plans for the storage of palletized records in the Warehouse. They also completed an inventory of the inactive records in custody that could be stored in such a ministr.

Mail Control Section - The Mail Control Section assumed the responsibility of transporting the classified trash from the Reproduction

Plant at to the Office of Inspection and Security wault in *To Building.

A questionnaire was developed and circulated requesting information regarding requirements of the various Registeries for overtime courier service. This information will be used in reducing the courier overtime to the minimum needed to fulfill service requirements.

C ...

PROJECT STATUS REPORT

Project 1-53 - Records Management Survey of the Office of the Director.

> No further action pending a reply to report submitted 8 April 1953.

Project 3-53 - Preparation of a comprehensive schedule for the disposition of fiscal records.

A tentative disposition schedule (exclusive of the Finance Division) was submitted in June 1953 for approval. Action is now being delayed pending completion of a schedule for the Finance Division. Two branches of the Finance Division have been inventoried with the assistance of analysts from this office. Further progress is being delayed pending the availability of the Area Records Officer who is working on another assignment, and completion of a move involving two branches.

Project 4-53 - Records Survey of the Office of Operations.

The survey of the headquarter's records of 00/C and

has been completed.

Project 5-53 - Rewriting of CIA Correspondence Manual.

No action this month due to other priority assignments given the responsible analyst since his completion of the Basic Intelligence Course on 10 July.
